RE: Video Device Competition; Implementation of Section 304 of the Telecommunications Act of 1996; Commercial Availability of Navigation Devices; Compatibility Between Cable Systems and Consumer Electronics Equipment, MB Docket No. 10-91, CS Docket No. 97-80, PP Docket No. 00-67

Dear Ms. Dortch:

On March 21, 2011, David Young, Will Johnson and I met with Bill Lake, Chief of the Media Bureau; Nancy Murphy, Associate Chief; Alison Neplokh, Chief Engineer; Mary Beth Murphy, Chief, Policy Division; Steve Broeckaert, Senior Deputy; and Brendan Murray and Lyle Elder of the Media Bureau.

The Bureau indicated that it is continuing to refine its views on the AllVid Notice of Inquiry based on the significant feedback it is receiving. We expressed support for moving away from a one-size-fits-all technology mandate, such as the AllVid device initially proposed.

Sincerely,

A handwritten signature in black ink, appearing to read "Leora Hochstein".
